THE BOOK OF REVELATION: *WHERE HEAVEN & HELL & EARTH COLLIDE*

The Book of Revelation has inspired and mystified many students of scripture throughout the history of the Church. This study will attempt to bring order to the chaos of views that have surrounded the story told in this book. By showing how this story emerges from and builds upon themes found in the Old Testament, the beautiful majesty and power of Revelation can be clearly seen.

CALLED TO CARE: *UNDERSTANDING TODAY'S CHALLENGES AND HOW TO HELP*

We're called to be the hands and feet of Jesus in the lives of our friends and neighbors; yet understanding the issues they face and how to be the best help is often a daunting challenge. In this class we will look at a number of situations (addiction, social media, social pressures, grief, etc.) faced by people in today's culture and some appropriate responses to the challenges. Our goal is to better understand, so we can better minister to our neighbors.
