ONE BY ONE**

love a child. build a family.

what is

FAITHFULLY ONE BY ONE?

Faithfully One by One is a community and faith based program that reaches out to faith communities, organizations, businesses and individuals and asks them to join the New Hampshire Department of Health and Human Services Division for Children, Youth, and Family Services (DCYF) in meeting the needs of every child and sibling group in care.

One of the main goals of Faithfully One by One is to find a family for each child—no matter how long it takes. DCYF has partnered with Bethany Christian Services of New Hampshire to recruit families for children who are unable to remain in their homes. In addition, we ensure that the families who provide foster or adoptive homes have the support they need.

make a difference

Faithfully One by One invites you to make a difference in the life of a child by:

- Providing respite care.
- Providing foster care.
- Adopting a waiting child or sibling group.

- Share your gifts and talents by:
- Supporting current foster and adoptive parents.
- Volunteering as a mentor for an aging-out youth.
- Inviting a college student over for dinner or holiday breaks.
- Providing time or funds for music lessons, prom dresses, camp, or other activities.
- Donating items such as clothing, beds, sports equipment, luggage, school supplies, gift cards, or tickets to a local event.

YOU AND YOUR FAMILY CAN
MAKE A DIFFERENCE IN THE LIFE
OF A CHILD BY GIVING YOUR
TIME, LOVE, AND COMMITMENT.

time

Each waiting child has unique gifts to share. Some children are older and have been waiting for

permanent homes for a long time. Other children are brothers and sisters who want to be adopted together. Some of the children have other needs including medical, emotional, and developmental challenges. Families will need time, energy, and patience to help these children feel safe and secure.

love

Faithfully One By One seeks compassionate individuals and families

who will accept the responsibility of caring for the most vulnerable children among us. We also need people who can assist the current foster/adoptive families by sharing their love, gifts, and talents. What better way to express divine love than to reach out and help improve lives?

commitment

Becoming a foster or adoptive parent is a commitment that can be rewarding and

challenging. A family willing to commit to foster or adoptive care must be flexible and able to provide stability, security, and nurturance. We are looking for caring people who can invest in short or long term relationships with children in need. Can you join us as we seek to meet the needs of these children?
