

## The Holy Spirit in Acts

### Session 13: Discussion Questions

1. Describe a time in your life when a bumpy start worked out in the end.
2. Read Acts 15:36-40. Describe the issue that caused Paul and Barnabas to separate. How did God work through this bumpy start?
3. Read Acts 16:1-3 and Galatians 2:1-5. How can we explain Paul's actions in having Timothy circumcised, while refusing to have Titus circumcised?
4. Read 16:6-10. When have you experienced closed doors like ones Paul and his companions encountered here? Did God open another door for you in the process? How did this happen?
5. Read Acts 16:13-15. What is your impression of Lydia? How do you know who might be a little like her?
6. What is one thought that you will take from our study today to think about throughout the week?
